REMARKS/ARGUMENTS

Claim Amendments are made to cancel claims 38-41 and 45 without prejudice.

In paragraph 3 of the Detailed Action the Examiner has rejected claims 38 to 41 and 45 under 35 U.S.C. 101 as being directed to non-statutory subject matter. We disagree with the examiners characterization, but in order to secure allowance of the application, we will pursue the rejected claims in a continuation application. Accordingly, the rejected claims have been cancelled without prejudice

As the remaining claims are allowed, allowance of this application is earnestly solicited.

If the Examiner has any questions or concerns, please contact the undersigned (and please note the change of representation).

Respectfully submitted,

Evert E. DEBOER et al
